

Please remember in your prayers the child of God, Nikita. Baptised by Fr Gregory on the 28th September 2008, and in the past fortnight has been diagnosed with a brain tumour. He is due to undergo surgery sometime this week in St. Petersburg.

Also prayers are requested for his parents Mikhail & Svetlana, Uncle Richard Elkins & his sponsor, Aunt Svetlana Elkins who is flying out to St Petersburg so she can be with the family at this critical time.
